NO DANCING IN SCHOOL BUILDING

Mr. J. D. Walker of Carlsbad, contractor for our high school building at this place, stated to the Leader this week that there had been a current report that upon the finishing of the high school building that there would be a dance given in it before turning it over to the trustees, which report he wishes us to state through the Leader is a mistake, that so long as he holds the keys to the building there will be no tripping of the light fantastic toe on its new floors.

Last week we were authorized to place the announcement of John N. Hewitt of Carlsbad as candidate for sheriff of Eddy County and while Mr. Hewitt did not tell us anything in particular about himself we note that he is well spoken of as to filling that office should he be elected.

As we go to press we learn of the destructive fire at T. M. Ancell's ranch in Texas, this morning about 3 o'clock, which caused him the loss of his entire barn, feed, saddles, harness, also the severe burning of a valuable horse which however broke loose before the fire had gained too much headway. The origin of the fire is unknown, the ranch boys having been at home, but the fire had gained too much headway before discovery, to save anything.
